Please consider your work/family commitments, and circle which show dates you can commit to. All performances are on Sundays at 3:00pm, with the exception of *Anne of Green Gables*, which is on a Saturday at 1:00pm. It is essential that you arrive at least 30 minutes prior to the start of each show. All of the Sunday matinees are followed by a Talkback with members of the cast and will wrap-up around 5 or 6:00, depending on the production. There will also be two workshop days, where students will have the opportunity to meet with staff and learn about different technical departments.

A list of other additional dates, including technical rehearsal observations and volunteer opportunities, will be announced at a later date.

TheatreLab perk: One \$10 guest ticket is available per TheatreLab student per performance, so bring a friend or family member!
